Ever wanted to own exquisite Art?

Here it is! Award winning Art form home!

Over an Acre of land with tall trees and lawn!

Easy access to NYC

Experience a home like no other. This magnificent house by UKZ Architects (*Simon Ungers, Laszlo Kiss, Todd Zwigard*) introduced Modernism to North Caldwell, a suburb of New Jersey 19 miles from New York City. This one of a kind, award winning residence is a work of art.

The home is comprised of two primary elements: two right angle L-shaped walls that intersect and provide context for the juxtaposition of inside and out. Nature is brought in with the L-shaped white concrete wall, beginning in the garden and adorned with a wisteria vine. The concrete wall continues from the patio and runs visibly through the home forming the rear wall of the glass-faced Living Room.

The home itself is the intersecting L-shape lined with custom German windows that allow natural light
